Sub: NPS (National Pension System) Awareness Session at ICMR-NIOH Ahmedabad on 22.05.2025 reg-

The National Pension System (NPS), introduced by the Government of India, is a vital retirement savings scheme available to citizens aged 18–70 years. Despite its significant benefits and evolving regulations, many employees remain unaware of the opportunities NPS offers, including tax advantages, investment options, and retirement planning strategies. To address this knowledge gap, NPS Awareness Workshop exclusively for Officials and staff covered under NPS will be organized, on 22nd May 2025 (Thursday) from 5.00 PM onwards, this session will aim to:

- Simplify the fundamentals of NPS, including fund performance and recent updates tailored for government employees.
- Highlight the flexibility in fund selection and investment patterns.
- Explain the tax-saving benefits and withdrawal options under the scheme.
- Educate participants on subscriber rights, grievance redressed mechanisms, and exit processes.

Additionally, they will provide insights into the Unified Pension Scheme (UPS), offering a holistic understanding of available retirement solutions. All NPS Subscriber of ICMR-NIOH Ahmedabad and ROHC(S) are advised to attend the above session. All NPS subscriber are requested to take a note of this for the purpose.
