Sub: Circular inviting Research Proposals in History of Science- 2026-reg

ICMR vide mail dated 10-11-2025 has intimated that the Indian National Commission for History of Science invites projects proposals pertaining to different branches of history of Science & Technology (S&T) in India for the year 2026. Investigators can take up source and theme oriented studies which could be of the nature of collection, compilation and analysis of data, study and translation of primary sources on mathematics, astronomy, medicine, etc. for a critical appraisal and assessment relating to ancient & medieval periods. Study may also include a historical evaluation and assessment of S&T in both colonial and 20th century scenario in India.

Facilities: Investigators are offered facilities of Research Assistants (Non-NET), JRF/SRF, and Research Associates with suitable contingency & travel grant. In special cases superannuated scholars are also granted projects.

It is informed that the interested scholars may write to Executive Director at esoffice@insa.nic.in or ijhs@insa.nic.in or download the application form from the website: www.insaindia.res.in.

The last date for submitting the project application form is **31st December 2025** and the direct Link for Application Proforma is: <https://www.insaindia.res.in/pdf/hos.pdf>
