ICMR-NIOH, a premier research institute serving the Nation since 1966, conducts cutting-edge basic, clinical, epidemiological, & translational research on workplace hazards, stressors & safety. With its **Regional Centre in Bengaluru (ROHC)**, ICMR-NIOH strengthens research capacity, develops evidenced-based health programs, & builds skilled manpower. Recognized as a **WHO Collaborating Centre for Occupational Health in India** since 1981, we play a pivotal role in promoting health, safety, resilience, & services across all the sectors through multidisciplinary approaches — aligned with Govt. of India's flagship capacity building initiative towards **Viksit Bharat 2047**.

With this purview, ICMR-NIOH is organizing a 5-day National Hands-on Workshop using **Multi-PTM system & related platforms**, Bioinformatics, etc. as part of **ICMR IRiSE** facilities.
